OFFICE OF PETITIONS

Sir:

Applicants petition for acceptance of drawing figures 1-15, which were mistakenly omitted from the August 3, 2001 filed reissue application. Filing of the reissue application is evidenced by the attached PTO date-stamped postcard. The application for reissue of Patent No. 5,931,011 improperly requested transfer of the original drawings from Patent No. 5,931,011 to the reissue application. The drawing figures submitted herein are Figures 1-15 from Patent No. 5,931,011. As such, figures 1-15 are not new matter. Furthermore, omission of drawing figures 1-15 from the reissue application was unintentional as the Request for Transfer of the Original Drawings filed with the reissue application was believed to be appropriate under the rules for patent practice. Applicants have since learned the Request for Transfer of Original Drawings is no longer permissible and are diligently filing this petition and drawings to correct the unintentional error. Applicants respectfully petition the attached drawing figures be

U. S. Patent No. 5,931,011

entered into the reissue application and the August 3, 2001 filing date accorded to the reissue application.

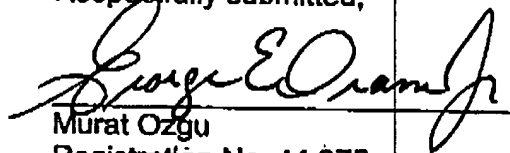

Attached to the Petition are:

1. A set of drawing Figures 1-15 from U.S. Patent No. 5,931,011;
2. A check in the amount of \$130.00 as set forth in 37 CFR 1.17(h); and
3. PTO Date-Stamped Postcard.

If any further fee is due to effect grant of this Petition, the U.S. Patent and Trademark Office is authorized to charge Deposit Account No. 01-2300.

It is respectfully submitted that the requirements of 37 CFR 1.182 are satisfied.

Respectfully submitted,

Murat Ozgu
